This outstanding 4,000+ sq ft one-level home is fashioned to withstand the passage of time. The imposing granite exterior with wrought iron embellishment & concrete water feature heralds the quality & distinctiveness of the interior of this French provincial inspired residence.

Polished concrete floors, exposed beams, in-laid wood feature floors & reclaimed brick accents make it warm & inviting with refreshing originality & artistic flourish rarely seen in new builds.

The spacious great room boasts a magnificent bespoke fireplace & multiple custom French doors give access to the patio. Separate prep area is a feature of the well-laid out kitchen. The primary retreat will satisfy a discerning buyer.

Geo-thermal heating reduces the carbon footprint. Auxiliary building includes a 1,380 sq ft art studio w/bathroom, workshop & garage.

Nestled in the rolling hillside, on 2.4 acre with views across Haro Strait to the Olympic mountains. Discover Metchosin!
