Features of 1379 Meadow Green Court

Welcome to one of Lorne Park's most exclusive enclaves of custom homes. Built by esteemed builder Camilla Homes in 1991 featuring elegant, reclaimed brick facade with a triple car garage. This Georgian masterpiece is situated on a pie shaped lot with an inground saltwater pool complete with expansive decking and a cabana for entertaining and storage.

Camilla Homes was known for high quality building standards and attention to detail. The home features a classic design, with 9-foot ceilings on the main floor and 8.3-foot ceilings on the lower floor. It features almost 7000 square feet of total living space that includes an open concept loft on the third

level that is ideal for children and adolescents. The walk out to the back yard on the lower level makes it an ideal design layout for multi-generational living or a live-in nanny.

The home has a massive, tiered deck overlooking the pool and the fenced landscaped back yard. The deck features an outdoor barbecue with gas hook-up and a patio set with umbrella. Ideal for outdoor dining and entertaining with family and friends.

Unique features include floor to ceiling two sided fireplaces, dental mouldings, French doors, hardwood flooring, led lighting throughout the home including the exterior, steam shower in primary bath, custom front entry door, heated flooring in the kitchen and

primary bath, sitting room with skylight adjoining the primary bedroom, a walk-out lower level and an irrigation system in the front yard

Life at 1379 Meadow Green Court is more than just a home... it is a lifestyle for families who want convenient access to neighbourhood and private schools, recreational activities, library facilities, lakefront parks and walking trails.

The present owners have meticulously maintained the home with thoughtful attention and pride of ownership during their years of ownership.
